

Interested in participating in a weight loss research study?

Are you interested in participating in a weight loss research study at the University of Colorado? We are researching an investigational medication for weight loss. Qualified participants will receive study medication and dietary counseling during the 1.5 year study at no charge and may receive body composition scans at the start and end of the study. Participants will receive a stipend of \$25 for each in-person visit completed.

You may qualify for this weight loss research study if you:

*Are 18 years or older and in generally good health

*Are overweight or obese (BMI ≥ 27) - Check your BMI at:

http://www.nhlbi.nih.gov/health/educational/lose_wt/BMI/bmicalc.htm

*Are willing to participate in regular in-person study visits at the Anschutz Health and Wellness Center (approximately monthly with phone visits in between in-person visits) during the 1.5 year study period

*Are not diabetic

*Have not taken any weight loss medications in the last 3 months
